

2023 Middletown Scholarship Application

The Middletown Athletic Club (MAC) is a member of the Road Runners Club of America. We embrace their mission to empower people to participate in the sport of running in pursuit of enjoyment, health, well-being and competition.

To reinforce this mission, MAC has awarded scholarships since 2010. In 2023, MAC will grant a \$1000 scholarship to a deserving senior in hopes that it will encourage them to continue to develop as an athlete and help prepare them with the education necessary for all aspects of life.

Eligibility

1. High school senior Cross Country and/or Track and Field Athlete
2. EITHER attending one of the following high schools, Appoquinimink, Middletown, MOT Charter, St. Georges Tech OR attending another high school but residing within the Appoquinimink School District boundary
3. Acceptance to 4 or 5 year college or university
4. A recent copy of high school transcript (minimum 3.2 GPA required)
5. Two letters of recommendation
6. A one-page response to the following topic:

How has your participation in Cross Country and/or Track and Field positively affected your life and how do you see it influencing your future?
